

# Caucus 2026 Official Ballot

---

Write the names of the candidates you select in order below. For precincts that use preferential voting, these will be used as your ranked choices. For precincts that use multi-round voting, the first valid choice will be used in the first round and subsequent rounds until that person is eliminated at which point the second valid choice should be used if they have not also been eliminated until all choices have been eliminated. There may be more or less lines than you need, depending on the size of your precinct. Enter as many names as you choose and feel free to add lines at the bottom of any section.

Visit <https://precinctportal.org/precinct> to see those who have declared they are running for positions.
